Awards & Accreditations

Whether it's for patient safety, advanced care or specific services and programs, our awards, certifications and accreditations reflect our dedication to providing high-quality healthcare across Southern California.

All of our acute care facilities are accredited by The Joint Commission and hold advanced certification as centers for stroke care.

The network of care is home to two STEMI Receiving Centers for heart attack care, as well as three Blue Distinction® Centers for Knee and Hip Replacement.

Three of our acute care facilities feature weight-loss surgery programs MBSAQIP-accredited for quality and two are designated as Blue Distinction® Centers.

These marks of distinction are an honor for us and offer peace of mind for you and your loved ones.

These are just a few of our many awards & accreditations. See more at southwesthealthcare.com/awards
